

26th November 2021

Dear parents/carers,

I hope you are all keeping safe and well. We have had another busy week in the primary phase with lots of exciting activities our students. Squirrels class had another fantastic horse-riding trip and also went on a visit to donate all of the food raised for our Harvest Festival at the food bank. The staff and volunteers were extremely grateful and I hope we will continue to work with this important charity in the future.

ASDA Trip

Rabbits class will be visiting ASDA on 30th November 2021. This trip will give our students the opportunity to purchase a small item (Christmas card, small gift) for a parent/carer and the opportunity to experience technology outside of school. Please can you return any paperwork for this trip.

Library Area

Staff in the primary phase have been working hard to reimagine our library area in school. We have been reviewing the books on offer and have decided on a new reading scheme to be launched from January 2022. Parents will be invited in during the first few weeks of next term to take part in a reading workshop and to hear about our exciting plans for reading this year.

Food Bank Visit

On Wednesday 24th November, Squirrels class went to visit our local food bank to donate the food collected for Harvest Festival. Volunteers were able to share how the food bank operates with the class and how food banks help people. The class were polite and engaged with the staff and Nicole was incredibly proud of them. Well done Squirrels!

Key Dates

The primary Christmas production is due to take place on Thursday 16th December at 2.30. Class teachers will be getting in touch over the next week to ask for any costume or props required for the scene. Parents will be invited in for this performance and a letter will be going out about this next week.

Class DoJo Parent Workshop

A reminder that next Thursday (2nd December) will be our Class DoJo workshop afterschool at 3.45pm. Please can you return the form to indicate if you will be attending or not.

Warm Clothing

Please can you send in a warm coat and hats/gloves for playtimes. The weather is starting to get colder and we would like to ensure everyone has appropriate clothing to go outside.

Bird Feeders

Rabbits class made some frozen wild bird feeders on Tuesday. We have been enjoying going out into the woodland area during our PSD sessions and Rabbits have enjoyed making shelters and bird feeders as part of this. Well done Rabbits class.

Have a safe weekend and thank you as always for your support.

Yours faithfully

Robbie Jones
