## Rabbits Trip to ASDA

This week **Rabbits** class went on a trip to ASDA to explore technology outside the classroom. As part of this visit, the students learnt about the different types of technology in the supermarket, technology on the road and technology we use for fun (the gaming aisle caused a lot of excitement!) We finished the trip with a visit to the self-service checkouts where our students practised using a checkout and engaged with the technology. I was very proud of the class for being so polite on the trip - well done Rabbits!

## Foxcubs Woodland Walk

On Monday, Foxcubs went on a woodland walk in our very own woodland area to look at the remaining snow on site. As part of this walk, the class explored different habitats as part of their science curriculum as well as having lots of fun in the snow. What an exciting afternoon!

## Key Dates

The next couple of weeks are going to be very busy weeks so I have summarised all key events taking place:

- Monday 6th December - Squirrels visiting ASDA in the afternoon
- Wednesday 8th December - Christmas Fayre - parents/carers invited into school - 2pm
- Thursday 9th December - Squirrels Class Horse riding - PM
- Friday 10th December - Christmas Jumper Day

- Monday 13th December - Squirrels class visiting Wollaton Hall - Titan T-Rex Exhibition - all day
- Tuesday 14th December - Squirrels Christmas Dinner - TBC - 11-2.00
- Wednesday 15th December - Foxcubs Theatre Visit - Lakeside Arts Centre - AM
- Thursday 16th December - Primary Christmas Production - 1.45-2.45 - primary parents will be invited
- Friday 17th December - School Christmas Dinner

As you can see, it is very busy and there may be a some other activities to add. We will update you as soon as this is possible.

## Christmas Jumper Day

On Friday 10th December, it is Christmas Jumper Day organised by Save the Children. Please can we ask that you send in any donations to school on the day to raise money for this charity to support the cause.

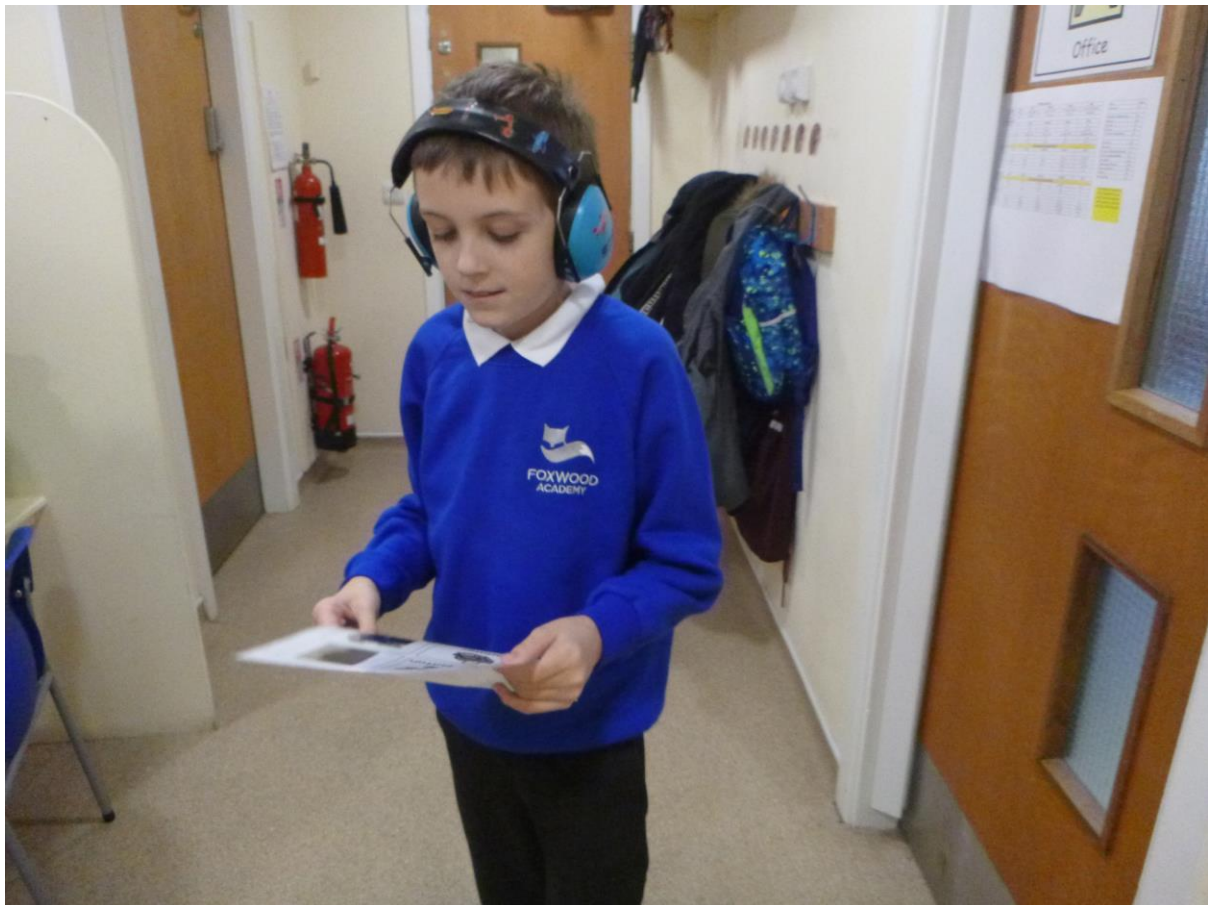

## Class DoJo Event

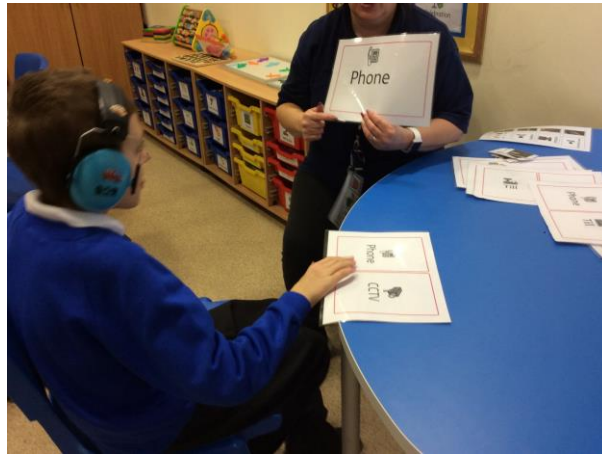

It was lovely to see so many of the primary parents at our Class DoJo event on Thursday. I hope you found the session useful and it was good to have some questions about the platform. I will be sending out a consent letter for all parents to complete with the newsletter this week and I would appreciate it if you are able to return the consent form as soon as possible so we can get the system set up in readiness for January.

## Hedgehogs Computing and Creative Lesson

This half-term in Computing, Hedgehogs have been learning about different items of technology inside and outside of school and practising our skills using the iPads. Any support with tracking with one finger on a screen at home will be appreciated.

In Creative, we have been trying out different items for props and beginning to think about actions and sounds linked to different items. It was lovely observing our students experiment and explore the different costumes. We have also been practising our songs for the Christmas production 'Silent Night' and 'Little Donkey'.

Thank you for all your support as always and have a safe weekend.  
Robbie Jones
