

29th June 2023

Dear Parents and Carers

We are writing to inform you about an important decision that has been made regarding our school. The Trustees and Members of Foxwood Academy Trust met on the 28th of June 2023 to complete the merger of our Trust (Foxwood Academy Trust) with The White Hills Park Academy Trust.

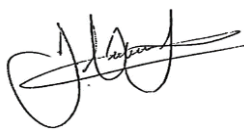

Foxwood have been a single Academy for many years and have been very successful. As a board we are proud of what Foxwood have achieved and fully recognise and appreciate the hard working and dedicated staff team, the great set of parents and carers and of course, our amazing children.

Merging with The White Hills Park Trust gives us access to more opportunities for inclusion with local schools and some additional financial input. Our aim is to open a new secondary special school in 2026 that will sit on the old Bramcote Hills site. This will increase our capacity, enable us to open a primary only site and reach more children in the Broxtowe area with SEND.

The merger will bring some slight changes to the way we do things such as banking and paying for school trips and school lunches but we will let you have the details shortly.

We look forward to a successful future as a Multi Academy Trust.

Yours sincerely,

Mr James Hutchinson
